Re: Freedom of Information Act Request

Dear FOIA Officer:

This is a request under the Freedom of Information Act:

I request copies of correspondence and barging reports associated with ocean dumping permits issued by EPA Region 10 to Shell Chemical Company, Dow Chemical Company, Monsanto Company, and Montrose Chemical Corporation between May 1, 1973 and January 20, 1977 under Section 102 (33 U.S.C. § 1412) of the Marine Protection, Research, and Sanctuaries Act (MPRSA). The subject permits were for ocean disposal of chlorinated hydrocarbons in the vicinity of Cook Inlet, AK.

I am an individual studying MPRSA permits issued by all EPA regions for ocean disposal of chlorinated hydrocarbons and request a waiver of fees associated with this FOIA. I plan to make these files publicly available in a future revision of my Report to Congress: Ocean Dumping of Chlorinated Hydrocarbons under the Marine Protection, Research & Sanctuaries Act of 1972 (ISBN 9781093384550).

Sincerely,

Charles McCreery
